Overview

Bareilly International University, Bareilly is established in accordance to UGC Act 1956 by the Uttar Pradesh Govt. Act No. 26 of 2016 dated 16th Sept 2016. The University has commenced academic activities from session 2016-17 with various courses.

The University is in the process to design its own milestone in the pursuit of social commitment and excellence reflecting by establishing world class practices. It has reached the shores of developing into a seat of global learning to bring about transformation of the society through value-based education, research promotions.

BIU has belief in innovation and forward-thinking that encourages assuming a leadership in various curriculum. These advantages give us a special opportunity to advance this great institution through carefully selected but ambitious choices that renew and extend its mission.

Objective of BIU is the holistic development of each student through inter-disciplinary, multi-disciplinary and trans-disciplinary approach. University offers various innovative and unique courses that are truly transdisciplinary in nature, scope and contents and help the students to develop knowledge and skills in diverse areas of study which are innovative in the emerging areas.

The learner-centric academic system with dynamic curriculum, broad-based courses is some of the important hall-marks of this University. The BIU aims to promote academic autonomy and empowerment, design multidisciplinary courses and exploratory research across disciplines among its faculty and students.

Messages

From Chancellor's Desk

(Dr Keshav Kumar Agrawal)

We are witnessing a phenomenal change in the education scenario. The chance has been both in terms of the content as well as the reach.

The trend has been to instill the element of excellence in every field. The best in every field of knowledge is being made available for the progress of the country. There has been a great spurt in the number of universities and colleges catering to millions of aspirants. This has been a very crucial moment for us in taking important and far-reaching decisions to provide what is much needed for the students of the country.

We are aware of the needs of our country to make her a knowledge-based superpower in the next decade or two. With this in view, we have stepped in to meet the present-day academic milieu for the student community. The idea is to create opportunities in various fields by incorporating the latest specialties of learning, which would cater to the critical needs of the industry and economy.

We foresee a close interaction among the universities, industries, business houses, and associations in modeling the content and skills.

This will make education more and more vocational and skill-based. This will surely result in better employability and greater productivity ultimately contributing to the nation's economy.

The latest advances in technology and communication have provided a great impetus in designing and delivering innovative ways of learning. Distance learning and virtual education have been a boon in enlisting thousands of hitherto wasted human potentials into useful, skillful, employable citizens.

Yet another futuristic guidepost for the respective generations is the field of Entrepreneurship. Join Group of Institutions, through its remarkable new child, Bareilly International University, aims at crafting and nurturing budding entrepreneurs who would eventually build a new-fangled knowledge society that contributes towards the national cause.

From Pro-Chancellor's Desk

(Dr Ashok Agarwal)

Bareilly International University as a value committed premier educational institution of Higher education welcomes all the students who want to pursue their ambition to actualize their true potential in the academic ethos of values (sanskar), knowledge (shiksha) and skills (saamarthya). We at Bareilly International University encourage pursuit of intellectual quest, creativity and constant endeavour to attain perfection with deep rooted commitment to human values.

We believe in motivating empowerment through education. We focus on capacity building by way of innovative pedagogy and consistent interaction with latest technology through Industry academia interface. The infrastructure of sprawling lush green campus and institutional ambience provides perfect substratum to nurture holistic development and growth of students and faculty. We are confident that our students become fully equipped for the world of work after passing through august portals of Bareilly International University.

As Pro-chancellor, I, on behalf of Bareilly International University, Bareilly extend best wishes to the learners in the ensuing journey towards an enlightening experience of unfolding the world of knowledge and wisdom.

From Vice-Chancellor's Desk

(Dr Lata Agrawal)

Dear Students,

I take this opportunity to extend warm welcome to all admission seekers/ students and their parents who have decided to seek admission in Bareilly International University, Bareilly for the Academic Session 2022-23.

Rohilkhand Educational Charitable Trust, having flagship of Higher Education Institutions namely Institute of Dental Sciences , Bareilly , Rohilkhand Medical College and Hospital, Bareilly , Rohilkhand School of Nursing, BIU college of Pharmacy, Rohilkhand Ayurvedic college and Hospital and many Institutions have been established and started since year 1998, the University namely, Bareilly International University Bareilly established in the year 2016, has established itself a brand to reckon with not only in India but Abroad as well. With more than 5000 Alumni spread across the globe and 3000+ active students on rolls, BIUians have left an indelible mark on the canvas of higher education and particularly in the field of medical sciences and corporate world.

We are committed to provide highly conducive academic and research environment in Bareilly International University, Bareilly with large number of activities beyond class rooms to the students to ensure overall development of their persona so that they not only evolve as incredible professionals but also responsible citizens and better human beings.

Indian Education System is passing through revolutionary transformation because of National Education Policy – 2020 notified by the Ministry of Education, Govt. of India in July-2020. This vision document is highly exploratory and focuses on reviving ancient education system followed in India consisting of Gurukuls and World renowned Universities including Nalanda and Takshila. COVID-19 Pandemic has thrown many challenges for Educational Institutions, Employers, Governments and Communities which requires complete introspection. Bareilly

International University is gearing up for all upcoming challenges and promises to deliver in the best possible manner for all of its stakeholders.

Swami Vivekananda said that “Learn everything that is good from others, but bring it in, and in your own way adsorb it; do not become others.” These words of wisdom are timeless in nature and must be heeded to by all the learners.

I invite you to explore the corridors of Bareilly International University which will give you the glimpse of a perfect future. Come, join and give shape to your dreams.

Best Wishes!!!

From Pro-Vice Chancellor's Desk

(Dr Kiran Agrawal)

All of us are passing through a testing time due to pandemic and a lot of disruption has happened in the last 2-3 Years in the education canvass of India. Had there been no pandemic, this would have been fantastic period for education sector because of the announcement of New Education Policy 2020 and the initiatives taken by the Government of India in digitization of learning processes, focus on research outcomes, participation of higher education institutions in national and international rankings etc. The blessing in disguise in pandemic times was continuation of theory classes through online mode, the transition which has been made very smoothly across educational institutions.

Bareilly International University, Bareilly has become a brand to reckon with because of multiple reasons including committed and qualified teachers, innovation led research culture, state-of-the-art infrastructure including labs, innovation led research environment ecosystem, exemplary medical and dental educational records on year to year basis, and overall highly committed and energetic students, who remain on the front and accept each and every challenge of quality learning.

We, at Bareilly International University strongly believe that when a student graduates from a university, there must be an affirmative change in her/his knowledge, skills, behaviour and attitude in such a manner that she/he is prepared in taking professional responsibility or the work responsibility at the employer's end head-on. The entire teaching learning eco-system in Bareilly International University has been designed keeping this principle in mind. The above conviction and it strongly reflects in the curriculum, and outside the class activities. There is a complete focus on Outcome Based Education and Project Based Learning.

Once you take admission in Bareilly International University, please be assured that you will be on the right track of your career-building, provided you are committed and career-oriented. Without repeating the strengths of BIU which are reflected in this Admission Brochure, I can

assure you that you will enjoy your journey with us and achieve whatever goals you set for yourself.

I welcome you to Bareilly International University, Bareilly for the quest of KNOWLEDGE.
Come and Build Your World.

From Registrar's Desk

(Dr Sushil Kumar Thakur)

Prof (Dr) Sushil Kumar Thakur, Doctorate in Management (Ph.D.), MBA and B.E (Mech. Engg.), possess the vast working experience of 33 years. He is looking after Academic and non-academic administration of Higher Education/ University system since last 15 years as Registrar. He has also served the Indian Air Force as Mechanical Engineer for 18 years. He has published many research papers and management Articles in National and International Journal and also authored and published books for Management students.

I, joyfully welcome you all: my dear brilliant students already enrolled and many more aspirant meritorious ones, cordially awaited to join us at the picturesque University campus in the Region of Land of Gods and also land of beauty of Nature “Bareilly International University”, Bareilly, (U.P.) As, future leaders of this great nation, you will be imparted here education in its truest form and intent, and when I say so, towards the threshold of my five decades as a person and further fortified by the inspirational words and great thoughts of Mahatma Gandhi as “where there is love , there is life”. As also in the words of the first Prime Minister, Pt. Jawahar Lal Nehru – We live in a Wonderful World, that is full of Beauty, Charm & Adventure. This is literally true for this University.

In our efforts to deliver quality & career led education, we put more emphasis on determining one to one contact and also be very much attentive to vital needs of each student. Our faculty team relentlessly monitors progress of every student and guide them accordingly on the way to achieve all success in their life and career ahead.

I look forward to be a humble partner with you all and your dedicated caring parents so sincerely devoted to see you at the highest point of your career-formation edifice decorated with the richest possible human values and Golden Futuristic Leadership (*Swarrnim Bhavishya*).

About the University

It offers an array of multi- disciplinary courses making it a knowledge portal where excellence matters. In Bareilly International University, we understand the potential of young minds and nurture them with passion.

Bareilly International University can boast of being an institution par excellence. It is located in a fascinating geological setting. It is flanked by NH-72 on one side and a beautiful broad slithering river on the other side. The pine trees surrounding the area lend a pristine and wholesome ambience to the campus.

We offer a unique life, you will have access to comprehensive facilities, cultural activities, wide range of academic courses and industry interface.

Our institutes have created a niche in the field of professional education and bench-marked themselves with the best institutes in the field of Medical Science, Nursing, Business Studies and

Management, Pharmacy, Paramedical Sciences, Ayurvedic Medical, Dental Medical Treatment, Journalism & Mass Communication and Hospital Management.

Our promoters have philanthropic orientation and the University is committed to social responsibility of awarding scholarships. It is committed to excellence in professional education and research.

Our top management team is led by men of great academic and social standing. Our intellectual asset; the faculty is drawn from the premier institutions of the country. The University has built up the world class learning resources which consist of the focused learning space in the form of lecture halls, series of computer centers, digital centralized library, laboratories, residential accommodation on-campus for boys and girls, sports facilities, cafeteria, canteen and Wi-Fi campus with 24×7 Medical facilities (Hospital & Ambulance).

Vision

- Bareilly International University will have a transformative impact on society through continual innovation in education, research, creativity, and entrepreneurship.
- To be a leading medical institution excels in providing quality education, research environment and affordable health care services.

Mission

- To impart quality higher education and to undertake research and extension with emphasis on application and innovation that cater to the emerging societal needs through all-round development of the students of all sections enabling them to be globally competitive and socially responsible citizens with intrinsic values.
- Our endeavor is to create academic and research environment by providing state of art infrastructure & facilities to impart knowledge and develop skill in its pupil and function as a center of cost effective comprehensive health care services where people are treated with dignity and respect. Ensure holistic development of its pupil to attain success in personal and professional life and handle contemporary health problem of society effectively.

Infrastructure

Bareilly International University has strong environment facilitates campus in Bareilly District headquarter (Uttar Pradesh). The University developing the infrastructure facilities as per the requirement. There are different ground for sports and cultural programs to facilitate the growth of the students as well as faculty.

Bareilly International University has separate buildings for each department such as medical, hospital, Lab, Pharmacy, Nursing, Ayurvedic, paramedical, Management etc.

Bareilly International University has Zero waste system, Solar Power System, Herbal Garden, Separate department labs as per requirement.

Sports/ Playgrounds-Area for Growth

Ample sports facilities have been created on the Campus for all round development of students. This facilitates individuals to imbibe sportsman spirit, develop social values and to be humble in victory and gracious in defeats and a spirit of co-operation, discipline, honesty and integrity. Besides vast playgrounds and several playrooms, the University has facilities for a number of indoor and outdoor games. Students are encouraged to engage in social and cultural activities. The University has a stadium, basket Ball Courts, Badminton Courts, Volley ball Courts and well equipped gymnasium. The University also provides all necessary facilities and equipments to the students for maintaining physical fitness and good health.

Auditorium

Bareilly International University has two state of the art centrally air conditioned auditorium with a capacity of 750 & 375 seats each, having ultra-modern acoustics and digital projection. Also, every Constituent Unit has separate Seminar Room/Faculty Meeting Room/Conference Room with internet connectivity is well equipped with Hi-tech multimedia and audio-visual equipments.

Hostels: Home away from Home:

A hostel is a home away from home. Aware of the needs and requirements of students, who come from far-flung places, the university tries to provide them a safe, secure and affordable accommodation.

There are separate hostels for boys and girls. Rooms are spacious, clean, airy and well maintained. There are separate wardens and Attendants on duty round the clock for each hostel.

The inmates of a hostel are encouraged to live in harmony, like one big family, helping each other, mutually cooperating to make hostel life a rich and fruitful experience.

Gymnasium: Sore today, Stronger tomorrow

A modern spacious Gymnasium offering wide range of physical exercise machines was established to make the students and staff physically fit and agile. The students and staff enthusiastically use the facilities at Gymnasium. All equipments have undergone routine inspection and maintenance services.

Regular sanitization exercise has been carried out. Suggestions had been invited and were incorporated for overall development.

Yoga Centre: Health is wealth

The University has also a Yoga Centre for students and staff. There is a well-trained Yoga Instructor is also available to guide them.

Cafeteria- Where all roads meet

The Cafeteria is a place to relax after long hours of study. Always occupied by students both juniors as well as seniors, the cafeteria has many goodies to offer at affordable prices and open all days. The students carry everlasting memories of the cafeteria when they leave the University. The University has separate Cafeteria for each constituents Unit. All equipments & furniture have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for enhancement of the facility. The menu has been revised on popular demand to include dishes from the local cuisine.

Staff Accommodation

Since the teachers belonging to far-off places teach in the University campus, therefore the university has made necessary arrangements for their lodging in the University campus. For this, flats have been constructed for teachers/doctors/staffs, so that they can devote their full time and energy for improving the academic/professional standard of the students. Every Constituent Units has separate accommodation for their teachers and staffs. Centrally situated, the teachers' flats are at a walking distance from all departments. With spacious and well ventilated rooms and

serene surroundings, the teachers' flats offer ideal living conditions. Pest Control exercises were regularly extended to staff quarter's regular sanitization exercises have also been Initiated for the staff quarters.

Land & Buildings

In Bareilly International University, Bareilly every Constituent Unit has separate and own building for the various functioning. All the buildings of the Constituent Units are spacious, clean, airy and well maintained.

Recycling Plant:

The University has its own Sewerage Treatment Plant (STP) for waste water treatment and re-use. The entire waste water after treatment is used for irrigation. The University has also separate plastics; metals and paper waste at the source itself and prepare it for recycling. Food waste is composted constantly. All plants have undergone routine inspection and maintenance services.

FACULTY OF FORENSIC SCIENCES

Faculty of Forensic Sciences is a constituent of Bareilly International University, Bareilly. Bareilly International University, Bareilly is established in accordance to UGC Act 1956 by the Uttar Pradesh Govt. Act No. 26 of 2016 dated 16th Sep. 2016. The University is promoted by Rohilkhand Charitable Educational Trust and is functional from session 2016-17 with ‘excellence towards profession’.

Overview

Success comes to those, who work hard. And stays with those, who don’t rest on the laurels of the past. In a world where health is of utmost importance and yet is in the face of great perils caused ironically by our own advancement, Forensic science is a branch of science that provides candidates with knowledge and skills of scientific principles and techniques to analyze physical evidence in legal investigations and criminal cases. Forensic science is offered to the candidates at certificate, undergraduate and postgraduate levels. Candidates learn specialized tools and methodologies to examine evidence such as DNA, fingerprints, bloodstains, and digital data. After completion of a course in forensic science, candidates can pursue job roles like Investigative Officer, Forensic Accountant, Forensic Scientist, and Cyber Forensic Expert. The top recruiters for the graduates of Forensic Science are the State Forensic Science Laboratory (SFSL), Central Forensic Science Laboratory (CFSL), CBI, NIA, AIIMS New Delhi, and Christian Medical College (CMC).

Faculty of Forensic Sciences was set up in the year 2022 with an aim of creating new generation Forensic Experts to take up new challenges in the field of forensic science. The College strives to encourage entrepreneurship, and finally, instill the quality and ethics of Judiciary and Law in the students. The College is deeply committed to mold quality professionals with character and competence to touch the humanity with a compassionate heart.

PROGRAMMES OFFERED:

1. B.Sc. Forensic Science

EVENTS AT A GLANCE:

ROHILKHAND COLLEGE OF PHARMACY

Rohilkhand College of Pharmacy is a constituent of Bareilly International University, Bareilly. Bareilly International University, Bareilly is established in accordance to UGC Act 1956 by the Uttar Pradesh Govt. Act No. 26 of 2016 dated 16th Sep. 2016. The University is promoted by

Rohilkhand Charitable Educational Trust and is functional from session 2016-17 with 'excellence towards profession'.

Overview

Success comes to those, who work hard. And stays with those, who don't rest on the laurels of the past. In a world where health is of utmost importance and yet is in the face of great perils caused ironically by our own advancement, the science of pharmacy, being the study, preparation and dispensing of drugs, is the necessary nectar of the Gods of daily life. With such incredible changes the definition of pharmaceutical sciences will have to be altered and consequently the prospective role of pharmacist, pharmacy profession and pharmacy education need to be redefined. "The practice of medicine is an art, not a trade; a calling, not a business; a calling in which your heart will be exercised equally with your head."

The Rohilkhand College of Pharmacy was set up in the year 2023 with the objective of creating new generation pharmacists to take up new challenges in pharmaceutical and drug industry, and clinical pharmacy. The College strives to encourage entrepreneurship, and finally, instill the quality and ethics of pharmacy profession in the students. The College is deeply committed to mold quality professionals with character and competence to touch the humanity with a compassionate heart.

PROGRAMMES OFFERED:

1. **Bachelor of Pharmacy**
2. **M. Pharm in Pharmaceutics**
3. **M. Pharm in Pharmacology**

EVENTS AT A GLANCE:

Overview

Humanities, which was started in July 2022, aims to develop understanding, particularly of the learners, for people's cultures, endorse engagement with others, strengthen diverse communities, and recognize and retain new technologies and innovation for producing efficient leaders trained in creating an open line of communication with the responders. Concomitantly, BIU College of Humanities and Journalism, which offers a vast range of career options for students, cherishes to support and safeguard democratic system, fundamental rights and ethics for building good societies where people can enjoy high levels of employment, prosperity, stability and healthier upbringing.

Humanities at Bareilly International University is home to B.A. Mass Communication Programme. The programme will train the students to become active and productive citizens and employable post-graduates. It will help them to develop skills of mind and heart for learning creative and critical thinking, grappling with nuance, complexity, and subjectivity, familiarizing to a diverse environment and enhancing communication techniques. The College encourages the students to know the world beyond the university and learn employability tactics embedded as a theme in their programmes and also supports its teachers in knowledge transfer techniques, co-curricular activities and consultancy services with public and private ventures.

PROGRAMMES OFFERED:

1. BA (Mass Communication)
